The words people do not want to hear.....ever!!!!

👁 4 ✓ 0 ★ 1

Chapter 1 by Kasoni Fisk

Go kill yourself
You're useless
You're ugly and fat
You can't be my friend
Your face is ugly
You can't do anything, you're too short
Go away
No one likes you
You're not worth it
I'm breaking up with you
Go die in a hole
Don't pick on her/him

*Words can hurt everyone...you never know who you'll hurt and when you do, you don't have to hurt them anymore because you might have hurt them so bad that they didn't want to live

anymore. I've been called all of these to my face and behind my back and yet I'm still alive, not because I don't want to die but because I want to live. I survived by not listening to people who called me those things and also I want to die by knowing that I had someone there for me, and you do too. I hang on to the people who love me, and just know that if no one is there for you, I am.
